From the Desk of Vice Chancellor

Dear Esteemed Colleagues and Students,

It gives me immense pleasure to share with you the latest edition of our University Newsletter, highlighting the dynamic academic and extracurricular activities from January to June, 2024. This period has been marked by significant achievements, reflecting our collective dedication towards excellence.

Our faculty and students have actively engaged in a series of impactful events, highlighting the University's diverse and far-reaching initiatives. From the faculty orientation program that welcomed new educators into our fold, to the grand spectacle of the 13th Convocation, each event has contributed to the rich tapestry of our academic community. The brainstorming sessions and memorial oration lectures have brought together leading minds to discuss and advance critical topics in Veterinary and Animal Husbandry Sciences. These discussions have not only deepened our understanding but have also set the stage for innovative research and applications that will shape the future of our field.

We have also celebrated our national heritage and cultural events with great enthusiasm, fostering a sense of unity and pride among us all. The Republic Day and Basant Panchami celebrations were marked by a vibrant display of patriotism and cultural reverence, reminding us of the values that bind us together as a nation and as an academic institution. Furthermore, our commitment to community outreach was exemplified through various initiatives, including the Mahila Adhyayan Kendra's meeting for rural women and the MAITRI Training Program. These efforts underscore our dedication to not only advancing academic knowledge but also to making a tangible difference in the lives of those around us.

As you peruse this newsletter, I encourage you to reflect on the achievements documented within and consider how you might contribute to our ongoing mission of excellence in teaching, research, extension and extracurricular activities. Together, let us continue to build on the strong foundation we have established and strive towards even greater heights in the months ahead.

(A. K. Srivastava)

Faculty Orientation Program

An orientation program for newly recruited faculty members was organized from January 3rd to 15th, 2024. The program featured a series of informative lectures delivered by senior university officers, covering essential topics such as UG and PG regulations, student welfare activities, administrative protocols, extension activities, examination system and much more. The event culminated in a valedictory function graced by the Hon'ble Vice-Chancellor Prof. A.K. Srivastava, Dean of C.V.Sc. & A.H Prof. Vikas Pathak, and University Registrar Prof. A.K. Mandan. The theme and content of the program was well appreciated by the participants. Certificates were also distributed to all attendees. This version maintains the key details while ensuring clarity and conciseness.

Republic Day Celebration

On the auspicious morning of January 26th, 2024, 75th Republic Day was celebrated with great enthusiasm. Students, staff, faculty members, families, brimming with patriotism, gathered on DDU ground in front of the administrative block for the event. The occasion was marked by a Guard of Honour presented by 1 UP R&V SQN NCC, Mathura, in honor the of hon'ble vice-chancellor, who served as the chief guest. The celebration commenced with the unfurling of the Indian national flag followed by the national anthem

and presentation of brief progress report of the university. The event was concluded with the distribution of sweets to all attendees.

Inaugural Ceremony of Deekshotsav Mah-2024

The grand spectacle of Deekshotsav Mah-2024 was inaugurated on February 5th, 2024 on the momentous occasion of 13th convocation, under the esteemed guidance of hon'ble vice-chancellor Prof. A.K. Srivastava. This exciting period was filled with a myriad of academic and co-curricular activities meticulously curated by the dedicated coordinators of the university. This 'Deekshotsav Maah-2024' was celebrated from February 5th to March 4th, 2024. Prof. Srivastava emphasized the vital importance of animal husbandry, the necessity of a balanced diet, and the profound impact of the Green, White, Blue, and Yellow revolutions. The event was presided over by Prof. Prem Kumar Kalra, director/vice-chancellor of Dayal Bagh Educational Institute, Agra. The program coordinator, director research Prof. Vinod Kumar, welcomed and honored the guests, while dean C.V.Sc. & A.H., made the guests acquainted with the rich history and achievements of this prestigious university.

IQAC Review Meet

On February 5th, 2024, a review meeting of Internal Quality Assurance Cell (IQAC) was held at DUVASU, Mathura under the chairmanship of hon'ble vice-chancellor Prof. A.K. Srivastava. Key attendees were Dr. Sanjay Singh, Director General, UPCAR, Lucknow, and Dr. M.B. Chetty, vice-chancellor, Sanskriti University, Mathura. Prof. Srivastava urged the swift completion of the NAAC evaluation as per UGC guidelines. Dr. Chetty shared insights on NAAC assessment areas, while IQAC Coordinator Prof. Brijesh Yadav highlighted suggestions from external experts, stressing the need

to enhance the University's operations to meet NAAC standards.

Mahila Adhyayan Kendra meet on empowerment of rural women

On February 7th, 2024, the Mahila Adhyayan Kendra hosted a key outreach event for rural women from adopted villages of Shahjadpur (Block-Farah) and Bandi (Block-Baldev) at DUVASU campus. Shweta Singh, SDM Chhata, Mathura, was the chief guest, who highlighted the significance of girl education and government schemes for women. Dr. Pratibha Sachan, deputy chief veterinary officer, and guest of honour of the event, encouraged the women to become self-reliance through animal husbandry. Moreover, Dr. Bhudev Singh, deputy chief medical officer Mathura, discussed about the symptoms and treatment of tuberculosis.

Hands-on Training on Practical Approaches in Demystification of Functional Potential of Phyto-pharmacophores

The Department of VPT, DUVASU organized a 10-days Hands-on Training on Practical Approaches in Demystification of Functional Potential of Phyto-pharmacophores, from February 7th-16th, 2024. The training was financially supported by the SCSP plan of the ICAR All India Network Program on Ethno-

Veterinary Medicine. The aim of the program was to enhance the practical knowledge and skills of the 15 participating students of SC community by imparting 16 theory and 14 practical lectures on various advanced techniques viz. UV-VIS spectroscopy, qPCR, Western Blot, flow cytometry, etc. Participants also explored alternative animal models for phytoconstituent studies. Each participant received the book "Biophysical Chemistry Principles & Techniques" and a Training Manual.

Best Department, Best Teacher and Best Thesis Awards

On February 12th, 2024, DUVASU, Mathura, celebrated academic excellence with notable recognitions. The department of veterinary physiology was recognized as the best department. The best teacher awards were presented to Prof. Brijesh Yadav from veterinary physiology and Dr. Shalini Vaswani from animal nutrition for their exemplary teaching. In addition to these accolades, outstanding research theses were also awarded under various categories. In M.V.Sc category, Lawale Pranita Murlidhar excelled in basic veterinary science group, Kavisha Gangwar in veterinary para clinical group, and Pooja Pandey in animal production science group. In Ph.D. category, Dr. Rashmi from veterinary and animal husbandry extension and Dr. Pradeep Kumar from veterinary

parasitology received best thesis awards in basic veterinary science and veterinary para clinical groups, respectively.

Brain Storming Session on Reverse Pharmacology: A Wind Fall to the Post-COVID Therapeutics

On February 13th, 2024, the department of veterinary pharmacology and toxicology hosted a one-day brainstorming session on Reverse Pharmacology: A Windfall for Post-COVID Therapeutics. Hon'ble vice chancellor, Prof. A.K. Srivastava, chaired the event while, Prof. Vikas Pathak, dean C.V.Sc. & A.H, highlighted the therapeutic potential of medicinal plants. Prof. Vinod Kumar, director research, welcomed attendees and discussed the benefits of medicinal plants. The event was graced by the presence of prominent scientists and faculty from institutions like the Central Drug Research Institute (Lucknow) and the Institute of Medicinal and Aromatic Plants (Lucknow). Organizing Secretary Prof. Atul Prakash stressed on the role of reverse pharmacology in expediting medicine availability to the public.

Basant Panchami Celebration

Basant Panchami was celebrated on February 14th, 2024, at the University Library, marking the onset of spring by worshipping Maa Saraswati, the goddess of knowledge. The event was marked by the devotional presence of hon'ble vice-chancellor Prof. A.K. Srivastava, dean C.V.Sc. & A.H. Prof. Vikas Pathak, registrar Prof. A.K. Mandan, faculty, staff, and students. Prof. Srivastava urged everyone to leverage the library resources to boost their academic success.

Dr. B.P. Pande Memorial Oration Lecture

On February 16th, 2024, the 'Deekshotsav Maah-2024' featured the Dr. B.P. Pande memorial oration lecture.

Hon'ble vice-chancellor Prof. Srivastava graced the occasion by narrating the significant contributions of Dr. B.P. Pande in animal parasitology and stressed on the need for research aligned with societal and agricultural needs. The keynote address was delivered by Dr. Smita Sirohi, former advisor at the embassy to Belgium, Luxembourg, and the EU, and former joint secretary at ICAR. She highlighted Dr. Pande's revolutionary research in animal health and parasitic control. Dr. Ashok Kumar Tiwari, director ICAR-CARI, presided over the program. Prof. Vikas Pathak, dean of C.V.Sc. & A.H, welcomed the gathering, while Prof. Vinod Kumar, director research, concluded the event with a tribute and vote of thanks.

Dr. P.G. Pandey Memorial Oration Lecture

On February 17th, 2024, Deen Dayal Auditorium hosted a memorial oration lecture honoring Dr. P.G. Pandey, a distinguished veterinary pathologist and animal parasitologist. The program was lead by hon'ble vice-chancellor Professor Anil Kumar Srivastava. Dr. Trilochan Mohapatra, ex-secretary of DARE and director general ICAR-New Delhi, chairperson, protection of plant varieties and farmers right authority, ministry of agriculture, GOI highlighted the contributions of Dr. Pandey and discussed the key agricultural advancements like Green, White, and Blue Revolutions. He stressed on the need to identify and register indigenous animal

breeds and to develop better diagnostic tests and vaccines for diseases such as FMD, Rinderpest, Bird flu, etc. Dr. P.K. Rai, director of ICAR-Directorate of Rapeseed-Mustard Research, Bharatpur, presided over the event.

Brain Storming session on Transboundary Animal Diseases: Way Forward for Prevention and Control”

On February 19th, 2024, the department of veterinary pathology organized a brainstorming session on Transboundary Animal Diseases: Way Forward for Prevention and Control. The session was organized under the worthy leadership of hon'ble vice-chancellor, Prof. A.K. Srivastava, who flagged off certain issues on the critical impact of transboundary animal diseases on productivity and the economy. The keynote addresses were delivered by prominent experts including Dr. Raj Kumar Singh, former vice-chancellor and director ICAR-IVRI, who discussed about epidemic and zoonotic disease prevention, Dr. R.P. Singh, director ICAR-National Institute on Foot and Mouth Disease, focused on FMD control. Dr. Baldev Raj Gulati, director ICAR-National Institute of Veterinary Epidemiology & Disease Informatics spoke on the risk assessment for emerging diseases, while Dr. Raj Veer Singh Pawaiya and Dr. G. Saikumar reviewed control strategies and challenges in disease management. Additional insights were provided by Dr. Aniket Sanyal director ICAR-NIHSAD, Bhopal and senior scientists Dr. K. Gururaj and Dr. Anil Kumar Mishra. Prof. Vikas Pathak, dean C.V.Sc. & A.H, warmly welcomed and honored the distinguished guests.

Brain Storming Session on Livestock Propagation Model for India”

On February 20th, 2024, the department of veterinary

and animal husbandry extension hosted a brainstorming session on Livestock Propagation Model for India, focusing on boosting income and self-reliance among cattle owners. hon'ble vice-chancellor, Prof. A.K. Srivastava highlighted the crucial role of animal husbandry in India's agricultural economy. Experts like Dr. Rananjay Kumar Singh from ICAR and Dr. Rupasi Tiwari from IVRI discussed innovative models and IT applications to support farmers. Dr. Hans Ram Meena emphasized sustainability, while Dr. Mukesh Bhagat focused on precision dairy farming techniques. The session was concluded with insights from Dr. J.P. Sharma, former vice-chancellor of SKUAST-Jammu, aiming to drive advancements and sustainability in the livestock sector through this collaborative initiative.

Brain Storming Session on Economic Use of Low Productive Animals

On February 22nd, 2024, the department of livestock production management hosted a brainstorming session on the economic utilization of low productive animals. Prof. A.K. Srivastava, hon'ble vice-chancellor, emphasized the significant economic losses caused by these animals in India and proposed innovative uses such as in research and surrogacy. Dr. Manish Kumar Chatli, director, ICAR-CIRG, Makhdoom highlighted the risks that diseased

animals pose to healthy livestock and discussed the value of by-products from deceased animals. Dr. A. Kumaresan, principal scientist NDRI, Bengaluru, encouraged using low productive animals for research and vaccine development purposes. Dr. Rubina Baithalu, senior scientist, NDRI, Karnal, focused over potential for job creation through processing of by-products from unproductive cattle. Prof. Vikas Pathak, dean C.V.Sc. & A.H, suggested the medicinal uses of Panchgavya and the creation of biodegradable products from cow dung.

Dr. S.K. Talpatra Memorial Oration Lecture

On February 23rd, 2024, the Deen Dayal Auditorium hosted Dr. S.K. Talpatra memorial oration lecture, under the leadership of hon'ble vice-chancellor Prof. A.K. Srivastava, Dr. Sanjay Kumar, chairman ASRB, graced the event as the chief guest and delivered an insightful talk on nutraceuticals and the medicinal benefits of herbal plants for treating diseases in both humans and animals. Dr. Kusumakar Sharma, former ADG (HRD) of ICAR emphasized the importance of a balanced diet for overall health. Prof. Srivastava highlighted Dr. S.K. Talpatra's contributions and the need of improved nutrition for young women in India. Prof. Vinod Kumar, director research, announced the Dr. S.K. Talpatra scholarship for PhD students, and the event was concluded with the vote of thanks.

Scientific Advisory Committee Meet of Krishi Vigyan Kendra (KVK)

On February 24th, 2024, the annual meeting of the scientific advisory committee of KVK was held under the chairmanship of hon'ble vice-chancellor Prof. A.K. Srivastava. He spoke on the commitment of the university to boosting the farmers' income by integrating animal husbandry, poultry, fishery, and

goat rearing with traditional farming. Dr. Sanjay Singh, director general UPCAR, urged farmers to adopt a business approach, promoting new species and technologies to increase earnings, particularly through groundnut and maize cultivation. Prof. Vikas Pathak, dean C.V.Sc. & A.H, highlighted the collaborative efforts between the university and the agricultural science centers towards advance farming and animal husbandry initiatives.

Shree Anna Cooking Competition

A cooking competition was organized for girl students at Krishna Hostel on 26th February 2024. The theme of the competition was "International Millet Year", so the students prepared various dishes using various millets. Eight girls each from each girl's hostel viz, Sarojini, Kasturba, Jayanti, Krishna and Shastri PG hostels participated in the competition. The girls demonstrated many dishes prepared from millet like bajra laddu, savan kheer, bajra tikki, ragi soup, Bajra khichdi, idli, cheela, chaat etc. The cooking work was done under the supervision of the respective hostel superintendents, Dr. Varsha Gupta, Dr. Shalini Vaswani, Dr. Rashmi, Dr. Parul, and Dr. Renu Singh. The dignitaries present on the occasion included Professor Sarvjeet Yadav, Director IPVS, Professor Vikas Pathak, Dean, Faculty of Veterinary Medicine, Professor Arun Kumar Madan, Registrar, Professor Archana Pathak, Dean Post Graduate Education, Professor Rashmi Singh, Dean Biotech, and Dr. Rajneesh Sirohi, In-charge Students Welfare. All the participants were encouraged by distributing appreciation certificates.

Dr. C.M. Singh Memorial Oration Lecture

On February 28th, 2024, Dr. C.M. Singh memorial oration lecture was organized under the leadership of Prof. A.K. Srivastava, hon'ble vice-chancellor. The chief guest, Dr. Mangala Rai, former secretary DARE and director general ICAR and ex-vice-chancellor G.B. Pant University, praised Dr. Singh's pivotal contributions to veterinary science, particularly in advancing animal husbandry and poultry farming in India. Dr. Ramesh Somvanshi, former HOD of veterinary pathology, IVRI, admired the Dr. C.M. Singh Trust for its prestigious PhD thesis award. The ceremony featured the remarks from Prof. Vikas Pathak, dean C.V.Sc. & A.H and Prof. Vinod Kumar, director research & program coordinator. Distinguished guests viz. Prof. Pravat Kumar Raut, vice-chancellor OUAT; Dr. P.K. Rai, director National Mustard Research Institute; and Dr. Singh's family members, Smt. Shashi Singh and Colonel Ravi Kumar Singh, along with numerous deans, directors, faculty, and students graced the event.

13th Convocation of the University

The 13th convocation of the University, chaired by hon'ble governor and chancellor Smt. Anandiben Patel, was held on March 4th, 2024. Dr. Rameshwar Singh, vice-chancellor, BASU, Patna, was the chief guest. The event began with a ceremonial 'Jal Bharo Anushthan', lead by the hon'ble chancellor. Prof. A.K. Srivastava, hon'ble vice-chancellor, presented the progress report of the university, followed by the 'Deekshant Udbodhan' of Dr. Rameshwar Singh on 'One health concept for sustainable livestock production'. A total of 79 veterinary graduates, 27 biotechnology graduates, 32 postgraduates, and 04 Ph.D. scholars received their degrees in respective streams. Hon'ble governor congratulated the graduates, honored 20 medalists, and highlighted women empowerment, as 65% of the awards and

medals went to female students. She also discussed about malnutrition, rural women's development, and stray animal management, and distributed educational materials to the students of BPL families, making the event most memorable.

Annual Sports Day

The 21st annual sports meet of DUVASU, Mathura, was held on March 11th -12th, 2024. The event was inaugurated by Prof. A.K. Srivastava, hon'ble vice-chancellor, who unfurled the university flag and declared the meet open after the march-past and sports oath. The opening ceremony also featured the release of white pigeons, symbolizing the peace. The two-day event showcased a variety of sports including athletics, football, volleyball, hockey cricket, and various fun games like slow cycling, tug-of-war, musical chair etc. Dr. Gulsan Kumar, president extra-curricular activities, presented the report in valedictory function.

VIIIth Convocation, National Academy of Dairy Science, India

VIIIth Convocation of National Academy of Dairy Science, India (NADSI) was held at Pandit Deendayal Upadhyay Auditorium of the University under the dynamic leadership of Hon'ble Vice-Chancellor, Prof. Anil Kumar Srivastava on April 9th, 2024. Eighteen Fellows and 22 Associate Fellows were honored by Prof. Srivastava. Chief Guest of convocation Shri Meenesh Shah, Chairman, NDDDB, highlighted the importance of breeding, nutrition, and health management in boosting milk productivity. Dr. R.S. Sodhi, President National Dairy Association emphasized fair pricing for farmers to improve their livelihoods. Dr. M.S. Chauhan, Vice Chancellor, GBPUA&T, Pantnagar; Dr. G.B. Prajapati, Vice-President NADSI; Dr. Triveni Dutt, Director, ICAR-IVRI, Izatnagar and Dr. R.K. Malik, Secretary NADSI discussed the benefits of artificial insemination, quality milk production, and animal health. Dr. Tarun Sridhar, Former Secretary Govt. of India, the keynote speaker, linked milk productivity to self-reliance and development. The event also featured remarks by Mr. Kuldeep Sharma of Suruchi Consultancy and concluded with a welcome address by organizing secretary, Prof. Vikas Pathak, Dean, COVSc&AH.

Ambedkar Jayanti

On April 14th, 2024, a tribute was paid to Dr. Bhimrao Ambedkar, the principal architect of the Indian Constitution, on his birth anniversary. Prof. A.K. Srivastava, hon'ble vice-chancellor, along with faculty members, non-teaching staff, and students, paid a floral tribute to Baba Sahab Ambedkar. Prof. Srivastava shared inspirational insights from Ambedkar's life, emphasizing his enduring legacy.

Orientation Program of Post Graduate Students

On March 21st, 2024, an orientation program for newly admitted M.V.Sc. and Ph.D. students was organized under the guidance of hon'ble vice-chancellor Prof. A.K. Srivastava. In this program 76 newly admitted PG/PhD students were officially welcomed in university campus through the welcoming address of Dr. Archana Pathak, dean PGS, and Prof. Vikas Pathak, dean C.V.Sc. & A.H. Prof. Srivastava encouraged the students to keep the university flag high with their excellence in academics and extracurricular activities.

MAITRI Training Programme

Two 30-days training programs on Multi-Purpose Artificial Insemination Technician in Rural India (MAITRI) was organized in the department of veterinary and animal husbandry extension from Feb 12th to March 12th, 2024, and from April 1st-30th, 2024. In first training program 46 paravets from Agra and Jhansi, while in the second 49 paravets from Aligarh, Unnao, and Lalitpur districts participated. The training included practical sessions and theory lectures on AI techniques, male reproductive systems, non-surgical castration, passing of AI gun in live animals, ration balancing, breed conservation, zoonotic importance of

diseases and more. Certificates were distributed to all successful participants upon completion and evaluation.

Brain Storming Session on One Health for Food Security- Advances in Livestock Vaccinology

On June 15th, 2024, the College of Biotechnology DUVASU hosted a brainstorming session on One Health for Food Security: Advances in Livestock Vaccinology. The session underscored the crucial link between food security, vaccines, and livestock diseases. Hon'ble vice-chancellor Prof. A.K. Srivastava highlighted India's advancements in livestock vaccinology and its significance as a leading exporter of livestock products.

June 17th to 21st, 2024, marking the 10th International Yoga Day. Over 1,000 participants, including hon'ble vice-chancellor Prof. A.K. Srivastava, first lady of the university Mrs. Surabhi Srivastava, faculty, staff, families and students, joined the event with great passion. The day emphasized not just physical fitness but also mental clarity and stress relief. The yoga was performed under the supervision of yoga expert Smt. Ruchi Diwedi and her daughter, Devanshi Diwedi.

International Yoga Day Celebration

In reference to the guidelines of state government the university hosted a special Yoga Week from

Awards and Recognitions

Name of faculty	Name of award	Society/institute
Dr. Amit Kumar Jaiswal	Letter of Appreciation	Society for research and development in Ayush (March 2024)
Dr. Barkha Sharma	Citation & Vice chancellor Appreciation Award-2023	For services in the capacity of Recruitment Officer, DUVASU, by the Hon'ble VC, DUVASU, Mathura on January 26 th , 2024
Prof. Brijesh Yadav	Co-chairman	4 th APA convention and National Conference, Avikanagar, Rajasthan, March 1 st -2 nd , 2024
	Best Teacher Award	13 th Convocation of DUVASU, Mathura on March 4 th , 2024
	Panelist	Industry Scientist Farmer Interface held at CIRG, Makhdoomon March 5 th 2024.
	CCSEA Nominee in 6 universities/institutes	CCSEA, Government of India, New Delhi, 2023-24
Dr. Dilip Kumar Swain	Best Research Paper Award Mid-career Scientist Award	Animal Physiologist Association, March 1 st -2 nd , 2024
Dr. Gulshan Kumar	Certificate of Appreciation	World Veterinary Day Celebration programme organized by U.P Veterinary Association, Lucknow on April 27 th , 2024
Dr. Mokshata Gupta	"Krantijyoti Savitribai Phule Women's Achiever's Award-2024"	For erudite and informative essay in the National level essay writing competition on the occasion of Indian republic day, January 26 th , 2024
	Jury member in poem writing competition	Deekshotsav Mah-2024 (February 5 th - March 4 th , 2024)

	Dr. C.M. Singh National award of excellence-2024	In recognition of significant and outstanding contributions in the fields of Veterinary Sciences and Animal Husbandry for the year 2024 (April 27 th , 2024).
	Dr. V. Kurien award of excellence-2024	For erudite & informative essay in the National level essay writing competition on the occasion of World milk day, June 1 st , 2024
Dr. Neeraj Kumar Gangwar	Certificate of Appreciation	World Veterinary Day Celebration programme organized by U.P Veterinary Association, Lucknow, April 27 th , 2024
Dr. Parul	Krantijyoti Savitribai Phule Women's Achiever's Award-2024	Outstanding individual accomplishment & distinguished veterinary service to the nation on the occasion of Republic day, Jan 26 th , 2024
Dr. Pradeep Kumar	Best PhD thesis award (para clinical group)	13 th Convocation, DUVASU, March 4 th , 2024
Prof. Rashmi Singh	Vice President	Association of Public Health Veterinarian
Dr. Rashmi	Certificate of Appreciation	Deekshotsav Maah, February 26 th , 2024
	Best PhD thesis award (basic veterinary science group)	13 th Convocation, DUVASU, March 4 th , 2024
Prof. R.P. Pandey	Best oral presentation award (3 rd)	24 th Indian Veterinary Congress and 31 st Annual Conference of IAAVR and National Symposium on "Livestock Health and Poultry: A Paradigm Change to Maximize Productivity for Sustainable Farmers' Livelihood" organized by College of Veterinary Sciences, LUVAS, Hisar, Haryana, February 7 th -8 th , 2024
Prof. Sanjay Purohit	Chairman of Session Best oral presentation award (3 rd)	24 th Indian Veterinary Congress and 31 st Annual Conference of IAAVR and National Symposium on "Livestock Health and Poultry: A Paradigm Change to Maximize Productivity for Sustainable Farmers' Livelihood" organized by College of Veterinary Sciences, LUVAS, Hisar, Haryana, February 7 th -8 th , 2024
	Dr. C.M Singh National Award of Excellence 2024	Pashudhan Prahari, on April 24 th , 2024
Dr. Sanjay Kumar Bharti	Best oral presentation award (1 st)	2 nd Veterinary and Animal Science Congress & 2 nd Annual Convention of Association of Animal Scientists & National Symposium on Technology intervention for improving animal health and productivity at Apollo College of Veterinary Medicine, Jaipur (Rajasthan), February 17 th -19 th , 2024
Prof. Sarvajeet Yadav	Fellow AP	Animal Physiologists Association, March 1 st -2 nd , 2024
Dr. Shalini Vaswani	Best Teacher Award (2023)	13 th Convocation, DUVASU, March 4 th , 2024
Dr. Shanker K. Singh	Patent granted on Essential Oil Based Formulation for Control of <i>Rhipicephalus microplus</i> Tick	Government of India, February 14 th , 2024
	Dr. D.C. Blood Gold Medal Award -2023	40 th Annual Convention of ISVM and the National Conference, February 22 nd - 24 th , 2024

Dr. Supriya Sachan	Young scientist award	2 nd Annual Convention of Association of Animal Scientists and National Symposium organized by Apollo College of Veterinary Medicine Jaipur and Association of Animal Scientists, February 17 th - 19 th , 2024
	Member of jury for essay and poem writing competition	Deekshotsav Mah-2024, February 5 th - March 4 th , 2024
Prof. Vinod Kumar	Fellow ANSI ANSI Paper Award	20 th Biennial International Conference 2024 on "Sustainable animal nutrition for global health & production: Innovation and directions" by ANSI , Karnal & Dept of Animal Nutrition, Madras Veterinary College, Chennai, Tamil Nadu, Jan 23 rd -25 th , 2024
Dr. Vinod Kumar Singh	CCSEA Nominee	IAEC, Anand College of Pharmacy, Agra, UP, 2023-24
	CCSEA Nominee	IAEC, Alwar College of Pharmacy, Alwar, Rajasthan, 2023-24
Prof. Vikas Pathak	Best oral presentation (first) National Fellow of Association of Animal Scientists	2 nd Veterinary and Animal Science Congress & 2 nd Annual Convention of Association of Animal Scientists & National Symposium on Technology intervention for improving animal health and productivity at Apollo College of Veterinary Medicine, Jaipur (Rajasthan), February 17 th -19 th , 2024
Dr. Sarvajeet Yadav Dr. Arun Kr. Madan Dr. Vijay Pandey Dr. Brijesh Yadav	Fellows, NADSI	National Academy of Dairy Sciences India (NADSI), 09 th April 2024
Dr. Barkha Sharma Dr Amit Singh Dr. Mukesh Srivastava Dr. Shanker Kr Singh Dr. Mukul Anand Dr Meena Goswami Dr Soumen Choudhury Dr. Muneendra Kumar	Associate Fellows, NADSI	National Academy of Dairy Sciences India (NADSI), 09 th April 2024
